THE 7<sup>TH</sup> ENGINEERING  
INTERNATIONAL  
CONFERENCE

Education, Concept, and Application of Green Technology

Semarang, 19 Juli 2018

To :  
Dean  
Institut Teknologi Bandung  
Jl. Ganesha no 10 Bandung 40116

Dear Sir/ Madam,

We are pleased to inform you that Engineering International Committee of Engineering Faculty UNNES conducts 7<sup>th</sup> **Engineering International Conference**. Below is the detail of the conference;

Title : The 7<sup>th</sup> Engineering International Conference  
Concept and Application of Green Technology

Speakers : 1. Aaron Raymond See, Ph.D. (Southern Taiwan University of Science and  
Technology, Taiwan)  
2. Professor Dr. Kongkiti Phusavat (Kasetsart University, Thailand)  
3. Dr. Anwaruddin Hisyam. (Universiti Malaysia Pahang, Malaysia)  
4. Dr. Ratna Dewi Kusumaningtyas S.T., M.T. (Universitas Negeri Semarang)

Date : October 18<sup>th</sup>, 2018

Venue : Oak Tree Hotel, Semarang, Central Java

Prospective presenters are encouraged to submit papers that offer new research or theoretical contributions. Presentations should be in English and should address both theoretical issues and new research findings. Submitted conference papers will be reviewed by technical committees of the conference. All accepted and presented papers will be published in Proceeding indexed by Scopus. The selected outstanding papers will be published at several journals indexed by Scopus in the special edition.

It will be a great honor for us if you can participate in this event. The conference will give us some benefits indeed. Looking forward to your presence on the day of the conference.

Chairman,

Dr. Dewi Selvia Fardhyanti, S.T., M.T.  
Chief of EIC 2018

#### IMPORTANT DATES

Abstract deadline : 3 August 2018  
Abstract acceptance notification : 10 August 2018  
Full paper deadline : 3 September 2018  
Paper acceptance notification : 10 September 2018  
Camera ready deadline : 4 Oktober 2018  
Registration : 10 September 2018  
- 4 October 2018  
Conference date : 18 October 2018

## BACKGROUND

Engineering International Committee (EIC) of Engineering Faculty Universitas Negeri Semarang organizes annual conference in engineering field. Engineering International Conference provides a discussion forum for experts, government, industry, professors, teachers, students, and organizations or other key stakeholders who have a relationship with technology and vocational education. Following the success of the six previous conferences, EIC conducts the 7th Engineering International Conference in 2018. This international conference can be a discussion forum for researchers, lecturers, teachers, undergraduate and graduate students, government, and industrial person to share knowledge, information, current issues, and innovation in the engineering and vocational education field.

### KEYNOTE SPEAKER

Aaron Raymond See, Ph.D.  
Department of Electrical Engineering  
Southern Taiwan University of Science and Technology,  
Taiwan

Professor Dr. Kongkiri Phusavat  
Department of Industrial Engineering, Faculty of Engineering  
Kasetsart University, Thailand

Dr. Anwaruddin Hisyam  
Faculty of Chemical & Natural Resources Engineering,  
Universiti Malaysia Pahang, Malaysia

Dr. Ratna Dewi Kusumaningtyas, S.T., M.T.  
Department of Chemical Engineering, Faculty of Engineering  
Universitas Negeri Semarang, Indonesia

## CALL FOR PAPERS

Authors are invited to submit original contributions (written in English) to the conference. Only original papers not published or submitted for publication elsewhere can be submitted. Topics of interest include, but are not limited to, the following:

1. Mechanical Engineering
2. Civil Engineering and Architect
3. Electrical Engineering
4. Computers and Information Technology
5. Chemical Engineering
6. Vocational Education

## PUBLICATION

The presented articles or papers in the conference will be published in the following publication;

1. All accepted and presented articles in the parallel session of the conference will be published at Scopus - indexed conference proceedings.
2. The accepted and presented articles or papers in mini symposium session will be published in printed mini symposium conference proceeding.  
ISSN: 2540-7740.
3. The selected outstanding presented articles will be published in several Scopus-indexed and national accredited journals (an additional journal publication fee will be subjected).
